Regularly updated Finnish news in English at www.helsinki.fi

Advertising in both the print edition of Helsinki Times and our online service gives wide marketing exposure. helsinki.fi is updated several times a day Monday-Friday, and our redesigned webpages provide an even greater variety of advertising options. By purchasing a front-page advertising spot, your ad will appear on every page on the website. For a smaller charge you can choose to have your ad placed on a particular section of the site. No matter what option you choose, high visibility is guaranteed, since the Helsinki Times website has over 30,000 different users every week.

Make a wise investment: make sure your company is seen by the growing readership of Finland's leading English-language news site.
